Cultural heritage around you

Ancient castles, museums and cultural spaces, Romanesque churches, unique buildings and villages, architectural heritage and celebrations, fairs and traditions.

Come and discover everything it has to offer.

Castell de Mur and col·legiata Santa Maria de Mur

45 min

Discover the emblem of ancient castles and visit two Romanesque buildings that encapsulate the medieval life in Pallars.

Botigues Museu Salàs

55 min

Enjoy a journey through time: wander around unique spaces which exhibit everyday products from old traditional shops.

Llimiana

59 min

Travel back in time and relive the era of Europe's last dinosaurs or the history of the roman city of Aeso in the renovated Museum of Conca Dellà, the Geopark Origens reference centre.

The Museum of Conca Dellà

Discover the world of hydroelectric engineering and learn about the history of the first hydroelectric power plant of Catalonia.

Capdella Hydroelectric Museum

Photographs from Jaume Elies (Llimiana), Ajuntament de la Torre de Capdella (Capdella Hydroelectric Museum).

Come and experience everything this paradise has to offer

Complete your visit to the gorge!

Our county is part of the **Origens Geopark**, a region whose **living traditions** are based on **agriculture, with landscapes full of contrasts and ancient castles**.

Where rocks teach us about the formation of the Pyrenees and of Europe's last dinosaurs. A place where we can walk freely and **feel at home**.

EPICENTRE GEOPARK ORÍGENS VISITORS CENTRE

www.pallarsjussa.net

Orígens UNESCO Global Geopark

A land recognised by UNESCO that will fill you with wonder

Experience Nature

Connect with nature through the diversity of our landscapes. A land that you will fall in love with.

Paths of Pallars Jussà

Choose between 63 itineraries to enjoy the local landscapes.

La Terreta and el Casal dels Voltors

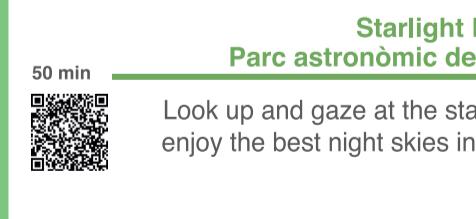

Discover the 15 villages of the Vultures Valley and enjoy watching these great scavengers feed.

Barranc del Bosc and Roca Regina

Discover this circular route that will take you to Roca Regina and the spectacular surroundings of the Terradets reservoir and the Montsec mountain range.

Starlight Reserve - Parc astronòmic del Montsec

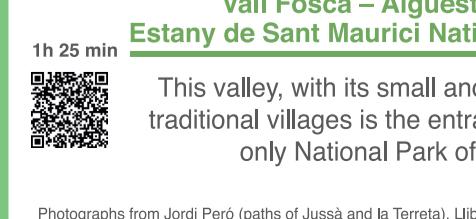

Look up and gaze at the stars, you will enjoy the best night skies in Catalonia.

El tren dels Llacs

Embark on a magical journey from the plains to the Pre-Pyrenees, looking at mountains, gorges and lakes, with the historical or panoramic train.

Vall Fosca - Aiguëstortes and Estany de Sant Maurici National Park

This valley, with its small and charming traditional villages is the entrance to the only National Park of Catalonia.

Photographs from Jordi Peró (paths of Jussà and La Terreta), Llibert Cases (Starlight Reserve. Col·legiata Santa Maria de Mur).
